Dear Authors,

We are pleased to inform you that after careful review and assessment, the members of the GEOMATE2016 Technical Committee have accepted your abstract for full paper submission at the GEOMATE2016-Bangkok conference. It is, therefore, with great pleasure that we extend our formal invitation to you to submit full paper through online submission using the following link.

<http://www.geomate.org/full-paper-submission.html>

For your convenience. We are attaching the following files.

1. List of Accepted Abstracts- Group1 and Group2
2. Paper Template/Manuscript Preparation Guidelines
3. Copyright Form

Please prepare your paper according to the instructions/manuscript preparation guidelines given in the template. Your paper should look exactly like the template.

The file name of full paper should be your paper ID number. Please submit full paper as early as possible to complete the review process smoothly. If you have any correction in title/abstract, please make necessary correction in full paper. You do not need to resubmit abstract separately. Registration is open and you can register now with early bird rate.

Should you require more information, please do not hesitate to contact us. We look forward to hearing from you soon. Please always refer paper ID number in any communication to us.

Sincerely yours,

Prof. Zakaria Hossain,

GEOMATE2016 Conference Director

Sixth International Conference on Geotechnique, Construction Materials and Environment,
